President's Report

2018 marks the 45th Anniversary of Gamelines Archery Club. The range has seen a lot of change over the years and still remains among the best 3D courses in the state. I hope you all will be able to celebrate with us on June 2 at the Youth Shoot/Invitational/Club Picnic.

During our Annual meeting in January we officially elected two new Vice Presidents. Please welcome Matt Bassman and Frank Zuppo as Club Officers. Matt and Frank will be helping to keep the range in top shape for everyone to enjoy. They have already been busy this year organizing the tree clearing activities, which was completed the weekend of April 21, and preparing for the range rebuild.

If you missed the Annual meeting, you also missed a great presentation from Bob Radocy about his African Safari. He shared a lot of excellent pictures along with stories of close encounters with wildlife, successful harvests, and hunt-camp life in Africa. It was an inspiring presentation.

As an all-volunteer organization, we are always looking for people interested in becoming more active in club operations. If you are interested in helping to keep Gamelines operating at the level of quality we have all come to expect, or have ideas for improvement, please consider joining the Board of Directors. Depending upon position, the BoD time commitment is relatively low and the potential impact on the club can be quite large. If you are interested, please reach out to me directly at president@gamelinesarchery.com

I hope you all are getting out and enjoying the range now that the days are growing longer and the weather is getting warmer. Please be diligent about checking for ticks while on the range. The population is higher than normal this year.

I look forward to celebrating our 45th Anniversary with you all in June!

Matt

Work Day Opportunities

If you are looking for a chance to earn your work day credit for 2018, there are still a few opportunities left. The April 22nd Range Rebuild was postponed to May 12. We also need volunteers to assist with the June 2nd Youth Shoot and Invitational. Bruno Ammann coordinates the Camp Paul Hummel Youth Shoots every summer and he is looking for volunteers for June 27 and July 14.

Please sign up for one of the volunteer opportunities by logging into the [Gamelines Website](#) and selecting "Work Day Sign Up" from the top menu.

Winter League

We had another great turnout for the Winter League at Archery in the Wild this year. Full scoring details can be found on the [Gamelines Website](#).
